

# WESTRIKATT KITTEN CONTRACT

## CONDITIONS OF SALE

Name of kitten

- FB certified pedigree & instructions regarding transfer of ownership
- Vaccination certificate – details of all vaccines given at 9 weeks and 12 weeks
- Kitten is GSD1V negative
- Microchip documentation
- Assurance kitten has been wormed at 2 weekly intervals from age of 6 weeks
- Preventative flea treated
- Kitten is litter trained
- Health checked at least twice
- Food samples & toys
- Life long support for new owner
- Four weeks free insurance with Pet Plan
- Kitten Price .....

## BUYERS RESPONSIBILITY

- Buyer accepts full responsibility for the care of the kitten
- Agrees to maintain veterinary care for the kitten including annual check ups and repeat vaccinations
- Agrees to provide a safe and happy environment for the kitten
- The breeder recommends that the kitten will not have access to the outside unless in a suitable & safe environment, eg a catio or cat proofed garden or accompanied on a lead & harness or walking jacket. On no account will the kitten “free roam”

- In the event the owner can no longer care for the kitten for any reason, the breeder must be informed and in conjunction with the breeder a suitable home will be found. In no circumstances should the kitten be rehomed to a third party or be placed in a cat sanctuary otherwise the kitten will be returned to the breeder. In these cases no refund or compensation will be given.
- Should the owner move home they should inform the breeder and change address of the microchip.
- The breeder is informed of any accidents or the death of the kitten / cat
- Occasional photos of kitten / cat in new home
